

# Rental Equipment Protection:

## REP

Under Rental Equipment Protection (REP), Harter Equipment will not hold you responsible for most causes of damage while the equipment is out on rent. In the event of a loss, the REP will cover the replacement or repair of the damaged equipment, after the deductible is met. Simply indicate on your rental agreement that you would like to take advantage of Rental Equipment Protection and Harter Equipment will take care of the rest.

## Covered Perils

Rental Equipment Protection waives responsibility for more types of loss than most damage waivers. A short list of what REP coverage includes, but is not limited to:

- Collision
- Fire
- Theft
- Vandalism
- Tornado
- Flood
- Earthquake
- Hail
- Wind

Please contact Harter Equipment for more information.

## In the Event of a Loss

If the rented equipment is damaged while out on rent, contact Harter Equipment immediately. Failure to report serious damage could potentially invalidate the REP agreement.
